Raising Kids to Be Producers, Not Consumers

Ali Eisenach

Verily I say, men should be anxiously engaged in a good cause, and do many things of their own free will, and bring to pass much righteousness;

For the power is in them, wherein they are agents unto themselves. And inasmuch as men do good they shall in nowise lose their reward. - *D&C 58:27*

Agency Education: The Power to learn and create!

Force Education: Do what you are told.

Freedom = Creators and dreamers!

_____

If you had unlimited money what would you create?

Who would you bless, and how would you honor God?

Dare to Dream Project:

Create a binder for each child and let them fill it with pictures, ideas, plans etc. This project will put a SPARK back into learning!

Business/Foundation name:

_____

Design a logo:

_____

Write a mission statement:

_____

Draw up your plans:

_____

Budget Sheet-Initial expenses:

_____

Budget Sheet-Monthly expenses:

_____

Science and math related to your dream

_____

Be creative! Encourage children to color or paint pictures for their dream project. Any creative element is encouraged!

This is a wonderful project because it incorporates art, design, language arts, math, science and more!

Examples:
